 #693 model town phase 1, 151001 Bathinda, India  9465650696  Female

Education

Computer Science Engineering

Thapar Institute of Engineering and Technology (TIET) 

2020 – 2024

Patiala, India

Matriculate

St. Joseph's Convent Sen Sec School 

Bathinda, India

Skills

Tech Stack

C++, C, HTML, CSS, JavaScript, Python, SQL

Developer Tools

Git, GitHub, VS Code

Creative

Adobe Illustrator, Adobe Photoshop, Adobe Indesign, Adobe Lightroom, Canva

Projects

University Website Clone

A responsive university website from scratch using HTML, CSS & JS.

Cartoon Filter

We built an OpenCV cartoon filter using image-processing operations on google colab.

Realtime Sudoku Solver

In this project, we built an OpenCV sudoku solver algorithm that detects a sudoku board from an image and then solves it. Using the concepts of deep learning, image transformation, and some other image-processing operations.

Organisations

Thapar Derabassi Toastmasters Club

President

Zirakpur, India

Rotaract Club of TIET Derabassi

Joint General Secretary

Fine Arts and Photography Society (FAPS), Derabassi

Joint General Secretary

Interests

- Reading Books
- Clay Modelling
- Cycling
